30 May 2016

Dear Adam

CHANGE IN FREQUENCY TO YOUR CHILD SUPPORT PAYMENTS

We are writing to advise that the Child Support Agency (CSA) has recently updated your child support payment calculations from a fortnightly rate to a monthly rate.

What this means for you

Your annual child support payments from Sarah Gray will now be calculated at **\$51.67 per month**.

- This change begins on **31/05/2016**.
- This does not affect the date you will receive your child support payments.
- Your annual child support assessment has not changed.

Any payments we receive will be paid directly into your nominated bank account.

Important

To ensure your child support assessment is based on your current situation, you need to tell us of any changes to your circumstances, such as care arrangements, income and employment status or contact details. In most cases, we can only make the change from the date you let us know. You can do this through CSA's secure Internet service CSAonline, by phone or in writing. To find out more about CSAonline go to www.csa.gov.au and follow the link.

Call us if you think this decision is incorrect because information was not provided or taken into account; or the legislation has not been applied correctly. We will check the details and explain the decision. You can ask us to review the decision (we call this an objection) within **28 days from the date you receive this letter**. For more information about how to object go to our website humanservices.gov.au/reviewsandappeals

The CSA Customer Service team is available on **131 272** to answer any questions you may have. Please quote your child support reference number 112 462 873 186 when you call to help us provide you with faster service.

Yours sincerely
